Docket No. 2001-149-T – Application of Chad Smith for a Class C (Taxi) Certificate of Public Convenience and Necessity (District 5) – Discuss with the Commission a Motion for Immediate Suspension of Certificate of Public Convenience and Necessity Filed by Jeffrey M. Nelson, Esquire, on Behalf of the Office of Regulatory Staff.

COMMISSION ACTION:

My motion is a consolidated motion to address the motions by the Office of Regulatory Staff seeking immediate suspension of the Certificates of Public Convenience and Necessity in Dockets No. 2001-149-T, 1997-439-T, 1998-264-T, 2001-154-T, and 2000-164-T. I move that the Commission deny each of the motions because I believe that a motion seeking to shut down a business based upon alleged violations of law should be supported by evidence rather than bare allegations, and that the respondents should be entitled to a hearing prior to such drastic relief being considered. It would be preferable for a motion for immediate suspension to be supported by a verified complaint, affidavits or other documentary evidence.

If the Certificate Holders fail to respond or appear at the hearing, the Commission may grant the requested relief at the hearing.
